# Mikal Skuterud

**Q: Where did you go to school?**

A: University of British Columbia and McMaster University

**Q: What area of study in economics do you specialize in?**

A: Labour economics

**Q: What research are you currently working on?**

A: COVID-19 impact on the labour market

**Q: Why economics? What is your favorite thing about it?**

A: It examines refutable hypotheses.

**Q: How long have you been teaching at uWaterloo?**

A: I've been teaching at Waterloo since 2005.

**Q: What classes do you teach?**

A: I teach labour economics and econometrics.

**Q: Do you have any special or interesting talents?**

A: I believe I'm the best hockey player in my department.

**Q: Any piece of advice you would like to give to current economics students?**

A: As you get bogged down in the technical details of the theory and methodology, as you inevitably will, do not lose sight of the big

important questions.
